

Generously proportioned, the Loxley is extraordinarily spacious for rich and comfortable living. The family and living rooms, at opposite ends of the house, both offer an optional fireplace for warmth and elegance.

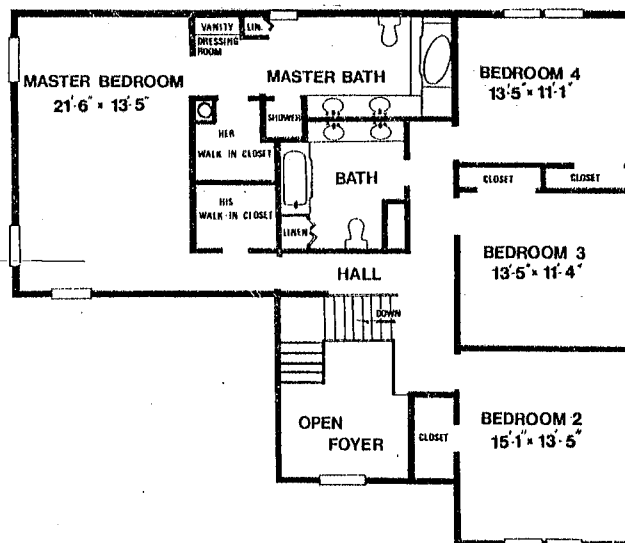

The upper level of the Loxley will delight you in every way. Included are four large bedrooms with an abundance of closet space. The huge master bedroom suite consists of a private dressing room, huge separate his and hers walk-in closets, and a master bath complete with step-up Roman tub, double basin vanity and separate shower.

The Loxley...large, entertaining, and styled for those who appreciate luxury and practicality in their home.
